Sky

An absolute utopia

In the middle of the mountains.

In Mother Nature.

Inside there, my village

and my home

was a "paradise on Earth",

Coming back after 4 years...

This doesn't look

Anything like a paradise-!!

Well...

In any case,

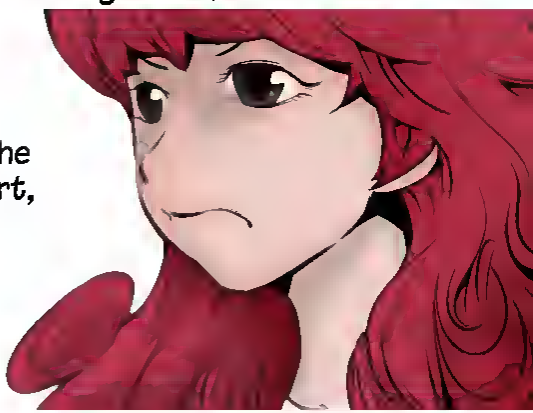
Hong-Goh (21)

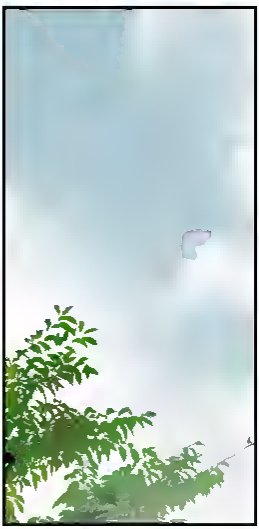


To make the story short,

My home is a tiny village about 3 hours down this way.

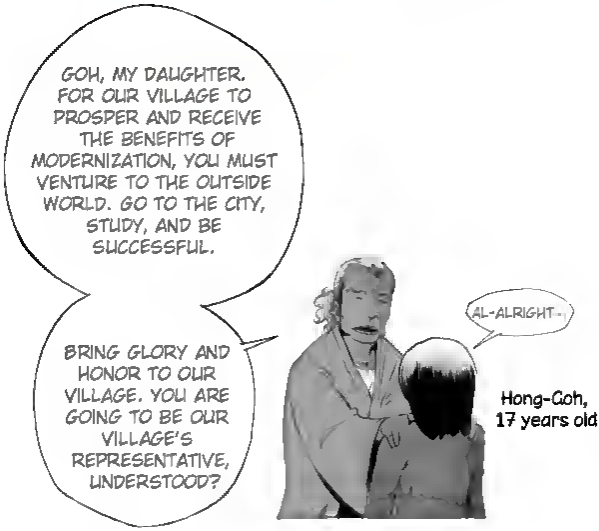
I don't know why, but traditionally people live hidden away here.

They live self-sufficiently with what the mountain provides...



With not even a proper path into the village, it was only discovered as the rest of society modernized.

My dad, the Deputy Mayor of the village, gave me a mission 4 years ago.



GOH, MY DAUGHTER. FOR OUR VILLAGE TO PROSPER AND RECEIVE THE BENEFITS OF MODERNIZATION, YOU MUST VENTURE TO THE OUTSIDE WORLD. GO TO THE CITY, STUDY, AND BE SUCCESSFUL.
BRING GLORY AND HONOR TO OUR VILLAGE. YOU ARE GOING TO BE OUR VILLAGE'S REPRESENTATIVE, UNDERSTOOD?
AL-ALRIGHT-
Hong-Goh, 17 years old

This was how it went:

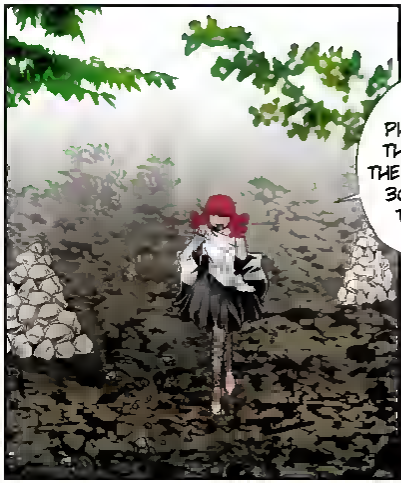
To live in a city wasn't easy at all.
Everyday was like a battlefield.

So, I'm coming back home now. To relax,
recharge, and to start once again.

But...
To tell you the truth-

I failed...I'm a loser and I couldn't be
the person my dad wanted me to be.

So, I'm silently retreating back home for now...



Mountain of the Monsters,
isn't it a funny name?

I heard it countless times when I was a child.

GOH, IN THAT MOUNTAIN LIVES A FEARSOME MONSTER. NEVER GO UP THERE BY YOURSELF.
AL-RIGHT.
Hong-Goh, 6 years old
THAT'S MY DAUGHTER. WHO'S A GOOD GIRL?

For some reason, you could hear weird noises coming from the mountain after dark.

THERE'S NO SUCH THING AS MONSTERS, BUT I REALLY WANT TO GET HOME BEFORE SUNSET.

FIDGET

For about 10 seconds
It seemed as if time had stopped.
It wasn't because I was surprised
or scared.

But-
because I couldn't figure out
What 'that' was quick enough.

I had to call it something.
So I said this:

*A wild man, aka raised in the wild

AHH...
URRR...
